

NORTH CAROLINA

OFFICE OF THE TREASURER

JANET COWELL, TREASURER

August 15, 2016

Joint Legislative Commission
on Governmental Operations
North Carolina General Assembly
Raleigh, North Carolina 27601

Re: Quarterly report on investment and related activities for the period ended June 30, 2016

Commission Members:

We are submitting a report under G.S. 147-68(d), 147-68(d1), 147-69.1(e), 147-69.2(b)(10a), 147-69.3(h), 147-69.3(i), and 147-86.11(c), on the investment and related activities of the State Treasurer. The report outlines the above in summary form for:

- The Cash Management Program – responsible for managing the operating funds of the State. The primary participants in this program are the State's General Fund and Highway Funds.
- The Pension Trust Funds Investment Program – responsible for managing assets of the Teachers' and State Employees' Retirement System, the Consolidated Judicial Retirement System, the Firemen's and Rescue Squad Workers' Pension Fund, the Local Governmental Employees' Retirement System, the Legislative Retirement System, the North Carolina National Guard Pension Fund and the Retiree Health Benefit Trust Fund. Collectively, these systems and funds are referred to as the North Carolina Retirement Systems or the Pension Fund.
- The Ancillary Investment Programs - as authorized by the General Assembly, responsible for managing assets for the Escheats Fund, Public Hospital Funds, CEEF and the Local Government Other Post-Employment Benefits Fund. The Trust Funds Investment Program also includes other participants such as the State Health Plan, the Disability Income Plan, and the State Educational Assistance Authority.

Cash Management Program

The Cash Management Program, composed of the Short-Term Investment Fund ("STIF"), produced a one year return of 0.75% for the participants compared to the benchmark return of 0.15%. The investable balances earning income for the General Fund were \$1.24 billion higher than one year earlier based on book value. The investable balances, which earn income for the Highway Funds, were \$861 million higher than at the same time last year.

Short Term Investment Fund

<u>Historical T-Bill rates</u>	<u>6/30/15</u>	<u>12/31/15</u>	<u>6/30/16</u>
3-Mo. T-Bill	0.008%	0.165%	0.261%
6-Mo. T-Bill	0.114%	0.476%	0.353%

The investments held by the STIF on a particular date may be accruing income at different levels from current short-term interest rates. For example, if the investments were made when interest rates were lower, the earnings would continue to be at the lower rates of return, even though current interest rates may have moved higher. This happens in reverse as well.

Pension Trust Funds Investment Program

The investment results for the Pension Trust Funds Investment Program ("Trust Funds") are managed and reported on a cumulative total return basis. Total return includes realized income and the appreciation or depreciation of fair market value. Two funds comprise the vast majority of the Trust Funds assets. They are the Long-Term Investment Fund ("LTIF") and the Long-Only Public Equity Investment Fund.

	<u>1 Year</u>	<u>2 Year</u>	<u>3 Year</u>	<u>5 Year</u>
Total Trust Returns:	0.81%	1.53%	6.10%	5.98%

Liquidity for the Trust Funds Investment Program is monitored on a regular basis. Currently 74% of the Funds' assets are categorized as highly liquid. The table below indicates the values for each liquidity level as defined:

	TOTAL (in millions)	Allocation
Level 1	\$64,676	73.8%
Level 2	\$4,272	4.9%
Level 3	\$2,531	2.9%
Level 4	\$16,092	18.4%
TOTAL	\$87,570	

The Liquidity Level defines the level of liquidity for each investment.

Level 1: Highly liquid (T+3 or less)

Level 2: Separate or Commingled Funds with Monthly, Quarterly or Semi-Annual redemption period

Level 3: Annual to 24 month redemption period

Level 4: Illiquid (> 24 month redemption period)

Long Term Investment Fund

	<u>1 Year</u>	<u>2 Year</u>	<u>3 Year</u>	<u>5 Year</u>
LTIF Returns:	8.05%	5.10%	5.42%	5.37%

The below table provides a trend comparison of the current Treasury yields to the previous quarter.

US Treasury Yields	<u>5 Year UST</u>	<u>10 Year UST</u>	<u>30 Year UST</u>
As of 6/30/16	1.000%	1.471%	2.285%
As of 3/31/16	1.200%	1.770%	2.610%

- Long Term assets (based on market value) ended the quarter approximately \$365 million higher than at the end of the prior reporting period.
- The realized earnings for the fiscal year to date are \$845 million.
- Approximately \$325 million was used to pay benefits or was reallocated to other investment funds this quarter.

Equity Investment Fund

Returns:	<u>1 Year</u>	<u>2 Year</u>	<u>3 Year</u>	<u>5 Year</u>
Long Only Equity:	-3.93%	-1.44%	6.64%	6.21%
Hedged Public:	-1.00%	N/A	N/A	N/A

The below table provides first quarter equity market returns as measured by major indices.

Quarterly Index Returns:	S&P 500	2.46%	DJIA	1.38%
	Russell 3000	2.63%	MSCI EAFE	-1.46%

- Assets of the fund (based on market value) ended the quarter approximately \$55.9 million lower than at the end of the prior reporting period.
- Approximately \$376 million was transferred from the Equity Investment Fund this quarter.

Pursuant to Session Law 2009-98 and G.S. 147-69.2, the Treasurer is authorized to invest in credit and inflation-linked strategies. These classifications are reflected in the attached report.

Ancillary Investment Programs

The Ancillary Investment Programs, as authorized by the General Assembly, are responsible for managing assets for the Escheats Fund, Public Hospital Funds, the Local Government Other Post-Employment Benefits Fund and the Conservation Easement Endowment Fund.

Pursuant to G.S. 147-69.2(b)(12), up to 20% of the Escheat Fund's assets can be invested in authorized Public Equity, Real Estate, and Alternative Investments. Since inception, \$40 million has been invested in Public Equity, of which \$39.9 million has been received in distributions; \$20 million has been invested in Real Estate, of which \$16.5 billion has been returned; \$55 million has been invested in Alternatives, of which \$40 million has been received in distributions. For the quarter ending June 30, 2016, the Escheat Fund's invested assets in Alternatives were valued at \$32 million with a return of 4.07% for the quarter and -0.78% for one year.

Pursuant to G.S. 159-39(g) and G.S. 159-30(c)(9) deposits are held for the Watauga Medical Center, New Hanover Memorial Hospital, Margaret R. Pardee Hospital, and Columbus Regional Healthcare System, all subject to compliance with G.S. 147-69.2. The assets are allocated as follows: STIF, LTIF and authorized Equity funds. For the quarter ending June 30, 2016, the externally invested assets were valued at \$220 million after returns in the domestic and international equity accounts of 2.38% and -1.71% respectively.

Pursuant to G.S. 159-30.1(b) and G.S. 159-30(c), deposits are held for the Local Government Other Post-Employment Benefits Fund. The assets are allocated as follows: STIF, LTIF, and authorized Equity funds. For the quarter ending June 30, 2016, the externally invested assets were valued at \$128 million after returns in the domestic and international equity accounts of 2.38% and -1.71% respectively.

Pursuant to G.S. 113A-253.2(a), deposits are held for the Conservation Easement Endowment Fund. The assets are allocated as follows: STIF, LTIF, and authorized Equity funds. For the quarter ending June 30, 2016, the externally invested assets were valued at \$2.4 million after returns in the domestic and international equity accounts of 2.38% and -1.71% respectively.

The Bond Proceeds Fund is managed by a private investment company under contract with the Department of State Treasurer. The investments are valued at amortized cost, which approximates fair value. The Bond Proceeds Fund has a separate investment account for each state bond issue to comply with Internal Revenue Service regulations on bond arbitrage.

Reporting Requirements for Green Managers and Funds

Pursuant to G.S. 147-68(d1), the Treasurer "shall include a specific listing of all investments made with certified green managers and companies and funds that support sustainable practices, including the names of the companies, managers, and funds, the amount invested, and the State's return on investment." Based on currently available research, there is no validation group or process that certifies green managers for investments, and the statute provides no definition of the term "sustainable practices" that would enable the Treasurer to determine which companies and funds would fall under this provision. Thus, it is not possible to report any relevant data at this time.

Investment Policy

Pursuant to G.S. 147-69.3(i) the following link is provided for ease of access to the current Investment Policy:

<https://www.nctreasurer.com/inv/Policies/InvestmentPolicyForNCRetirementSystems.pdf>

Thank you for your attention. Please feel free to contact the Department of State Treasurer if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Janet Cowell".

Janet Cowell
