Subject: 2014-15 Investment Management Division Initiatives

For the September 24, 2014, Investment Advisory Committee (IAC) meeting we will cover the slide deck outlining the 2014-15 Investment Management Division Initiatives. These projects and priorities are somewhat different than the list that has been periodically reviewed with the IAC since early 2013. Under separate cover, we will communicate an internal memo that summarizes progress on those initiatives through June 2014.
