Brief Description of Program:

The Veterans Affairs Division of the North Carolina Department of Military and Veterans Affairs is responsible for providing services to military veterans and their families with counseling, assistance in post military transition, helping to file federal VA claims and applications for VA benefits. The program provides training to county Veterans Services Officers throughout the State in addition to managing the State Veterans Nursing Homes and State Veterans Cemeteries.

Allowable costs for the program include office supplies, travel expenses, salaries and benefits and utilities.

Organizations Funded: Private Local Government Both
