

APPENDIX III

FEDERAL AGENCY SINGLE AUDIT, KEY MANAGEMENT LIAISON, AND PROGRAM CONTACTS

This appendix provides federal agency single audit contacts (starts on page 8-III-2), key management liaisons (starts on page 8-III-10), and program contacts (starts on page 8-III-11) for each program/cluster included in the Supplement. For the single audit contacts a table is provided for each federal agency identifying who can answer technical audit questions. The table includes contact information and the geographical area each federal contact is responsible for overseeing. A list of key management liaisons, who are the contacts for questions related to the administrative requirements applicable to an agency program(s), and their e-mail addresses follows the single audit contact information. Last, program contacts, who can answer programmatic questions, and their contact information, are listed by agency and Assistance Listing number.
