For the units that have deemed the Firefighters' and Rescue Squad Workers' Pension Fund (FRSWPF) material to the financial statements, the following information will be useful for the fiscal year ended June 30, 2026.

The collective pension expense for the plan is \$340.38 per employee. This will represent the per employee member amount of revenue and expense recognized by the unit. The State contributions for the FRSWPF amount to \$445.73 per employee member.

In addition to the above, the following note disclosure should be included in the pension note to the financial statements:

The [unit type] does not contribute to the plan. Contribution provisions are established by G.S. [Chapter 58, Article 86](#) and may be amended only by the North Carolina General Assembly. The State's contributions recognized for accounting purposes for the fiscal year ending June 30, 2026, were \$20,134,708. For further information on the reporting for the FRSWPF, please consult [Memorandum #2015-19](#). When available, sample disclosures can be found in the City of Dogwood 2025 sample financial statements.
