**Re: Biennial Evaluation of Statement of Economic Interest**

Dear Treasurer Briner:

Our office has received your 2026 Statement of Economic Interest (SEI) as an ex officio member of the **Capital Facilities Finance Agency ("the Agency").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The letter is not meant to impugn the integrity of the covered person in any way. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest or the likelihood of a conflict of interest.**

The North Carolina Capital Facilities Finance Agency was established to provide the benefits of tax-exempt financing to non-profit institutions providing elementary and secondary education, private institutions of higher education and various other entities for special purpose projects serving a public interest. The Agency has the authority to issue bonds and notes, award contracts for the construction of any project on behalf of a participating institution, fix and collect fees, loan repayments, rents and charges for the use of any project.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. 138A-24(e), the conflict shall be recorded in the minutes of the applicable board and duly brought to the attention of the membership by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. (N.C.G.S. §138A-15 (c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation (N.C.G.S. § 138A-14). Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Jane Steffens, SEI Unit

The Honorable Phil Berger
President Pro Tempore of the Senate
16 West Jones Street, Room 2008
Raleigh, North Carolina 27601

**Re: Biennial Evaluation of Statement of Economic Interest**

Dear Senator Berger:

Our office has received a 2026 Statement of Economic Interest (SEI) from **Mr. Benny Bowers** as a member of the **Capital Facilities Finance Agency ("the Agency").** We have reviewed it for actual and potential conflicts of interest under the State Government Ethics Act ("the Act"), which requires that SEIs be evaluated every two years after initial evaluation.

Compliance with the Act and avoidance of conflicts of interest in the performance of public duties are the responsibilities of every covered person, regardless of this letter's contents. This letter is required by N.C.G.S. § 138A-28(a) and is designed to educate the covered person as to potential issues that could merit particular attention. The letter is not meant to impugn the integrity of the covered person in any way. Advice on compliance with the Act is available to certain public servants and legislative employees under N.C.G.S. § 138A-13.

**We did not find an actual conflict of interest but found the potential for a conflict of interest. The potential conflict identified does not prohibit service on this entity**.

The North Carolina Capital Facilities Finance Agency was established to provide the benefits of tax-exempt financing to non-profit institutions providing elementary and secondary education, private institutions of higher education and various other entities for special purpose projects serving a public interest. The Agency has the authority to issue bonds and notes, award contracts for the construction of any project on behalf of a participating institution, fix and collect fees, loan repayments, rents and charges for the use of any project.

The Act establishes ethical standards for certain public servants and prohibits public servants from: (1) using their positions for their financial benefit or for the benefit of their extended family or business, N.C.G.S. § 138A-31; and (2) participating in official actions from which they or certain associated persons might receive a reasonably foreseeable financial benefit, N.C.G.S. § 138A-36(a). The Act also requires public servants to take appropriate steps to remove themselves from proceedings in which their impartiality might reasonably be questioned due to a familial, personal, or financial relationship with a participant in those proceedings. N.C.G.S. § 138A-36(c).

Mr. Bowers owns financial interests in publicly owned companies including but not limited to financial institutions such as Bank of America, Fifth Third Bank, Morgan Stanley and Wells Fargo. As such he has the potential for a conflict of interest and should exercise appropriate caution in the performance of his public duties should issues involving any entity in which he owns a financial interest come before the Agency for official action.

In addition to the conflicts standards noted above, the Act prohibits public servants from accepting gifts, directly or indirectly (1) from anyone in return for being influenced in the discharge of their official responsibilities, (2) from a lobbyist or lobbyist principal, or (3) from a person or entity which is doing or seeking to do business with the public servant's agency, is regulated or controlled by the public servant's agency, or has particular financial interests that may be affected by the public servant's official actions. Exceptions to the gifts restrictions are set out in N.C.G.S. §138A-32(e).

When this letter cites an actual or potential conflict of interest under N.C.G.S. 138A-24(e), the conflict shall be recorded in the minutes of the applicable board and duly brought to the attention of the membership by the board's chair as often as necessary to remind all members of the conflict and to help ensure compliance with the Act. (N.C.G.S. §138A-15 (c).

Finally, the Act mandates that all public servants attend an ethics and lobbying education presentation (N.C.G.S. § 138A-14). Please review the attached document for additional information concerning this requirement.

Please contact our office if you have any questions concerning our evaluation or the ethical standards governing public servants under the Act.

Sincerely,

Jane Steffens, SEI Unit
